***“Do you have runners and cyclists in your organization and want them to compete together in one team? Then the X-Duathlon is the perfect discipline for your team.”***

# GUIDE

## STEP BY STEP INSTRUCTIONS FOR JOINING WITH A TEAM

### DOWNLOAD THE LIST

- Download our excel list from **the button above**.
- Write down all the team members on the list.
- Specify the discipline.
- Specify if you want a business area.
- Send the list to [info@rr-challenge.lu](mailto:info@rr-challenge.lu).

One person (the “Team Chef” of the company) can register a whole team at once. You don’t need to register each participant one by one. Red Rock Challenge will send a global invoice for the whole team and will ensure the best deal price to you. We ensure to register your team members until the very last minute. Every member that registers one week before race day, will get a personal bib.

**Bib Numbers** | Please inscribe your team members before the 30th of September. After this date, we will print the bib numbers with the names of the participants. Last- minute inscriptions to the event will still be possible, but for logistic reasons, it won’t be possible to print the names of your team members on the bibs after the 30th of September.

**Ticket Exchanges** | Ticket exchanges and modifications are allowed until the day of the event. If some of your team members can’t come, the ticket can be exchanged with another member. Also, you are allowed to change your kind of race. You can also add new members at the same price rate as the early birds.

## BOOST MORALE, ENERGISE YOUR TEAM!

The Red Rock Challenge is a combination of sporting and cultural event in southern Luxembourg. Mountain-Biking, Trail Running and Duathlon are all different disciplines that your Company Team can join. Red Rock Challenge is open for all kinds of participants!

We invite you to **play an active part** in this unique event and at the same time boost your corporate image.
